Dear Business Owner,

A form has been left with you in hope that you will make a donation to The King's Christian Academy Autumn Auction. This year it takes place, Saturday, October 9.

If you are not familiar with KCA, let me share some facts with you:

- KCA is in its 31st year (2010-2011 school year)
- Approximately 260 students from St. Mary's and Calvert counties attend grades Pre-Kindergarten through Twelfth.
- KCA is a member of the St. Mary's Chamber of Commerce
- The student body represents over 60 churches between the two counties
- Auction proceeds are going to our Annual Fund which will help underwrite continued improvement of our high school library/media center and Discovery Resource Center. It will also help with further development of academic, fine arts and athletic programs.

Your donation can be a service, an item, or monetary. WE WOULD TRULY APPRECIATE ANY CONTRIBUTION YOU CAN GIVE TO HELP US HAVE A SUCCESSFUL AUCTION!

Once you have completed the form, please contact the person listed below and they will pick up the form and your donation.

On behalf of The King's Christian Academy, thank you.

Sincerely,

Melinda A. Williamson
Director of Development
